

NORTH CITY FARMERS' MARKET & 13TH STREET COMMUNITY GARDEN

5TH ANNUAL TRIVIA NIGHT

SATURDAY, APRIL 11, 2015
2720 N. 14TH STREET | 6:30 PM

Most everyone is familiar with the large markets in town such as the Tower Grove, Soulard, and Schlafly Farmers' Markets. But did you know there's a growing market and community garden movement on the North Side?

The North City Farmers' Market is a 20-week outdoor market that provides critical access to affordable, healthy, locally-grown fresh fruits and vegetables for residents of Old North and surrounding neighborhoods in the City of St. Louis. In addition, we offer exercise classes, community gardening, children's activities, live music and health screenings. It's all part of a comprehensive strategy to improve community health and quality of life for residents of North St. Louis, an area that has struggled with poverty, lack of health and wellness resources, and limited healthy food options.

The North City Farmers' Market and 13th Street Community Garden are coordinated by the Old North St. Louis Restoration Group, a non-profit community development organization committed to revitalizing the physical and social dimensions of the Old North St. Louis neighborhood, while respecting the community's historic, cultural and urban character.

This coming season we plan to expand the market by adding additional vendors and reaching out to low-income neighbors in the surrounding communities, including providing a shuttle service for those with limited access to reliable transportation. We request your help to accomplish this objective and continue this vital community outreach and health initiatives program.

Each year, we host a Trivia Night and raffle fundraiser to help defray the costs associated with the market and community garden. This year it will be held on April 11, 2015, and we are requesting your support through the partnership sponsor opportunities detailed on the follow page. All contributions are tax-deductible and we will provide a letter for your records.

Thank you in advance for your consideration. Your generosity and support makes all the difference in the world as we work to revitalize one of St. Louis' oldest communities.

Sincerely,

A handwritten signature in blue ink that reads "Sean P. Thomas".

Sean Thomas
Executive Director
