

Volunteer Opportunities at the 2016 Old North St. Louis House & Community Tour

Old North St. Louis Restoration Group will host our annual House & Community Tour on **Sat., May 7** to demonstrate the community's revitalization in progress. Up to a dozen sites, including a mix of homes, community gardens, and neighborhood businesses will be open for visitors from throughout St. Louis. Visitors usually include many former residents who grew up in the neighborhood and come back every year to see how the neighborhood has changed, as well as prospective residents who want to get a sense of the community, and many others interested in neighborhood revitalization or historic preservation or sustainable communities.

Volunteers are needed to assist with:

- registration area / visitor check in (handing out tour booklets and other information packets);
- serving as greeters at homes and other stops on the tour (checking tour booklets and providing directions for the visitors);
- walking the tour route to assist visitors along the way with directions;
- setting up tables, tents, balloons, signs, etc. before the start of the tour;
- cleaning up and taking down tables, tents, balloons, signs, etc., after the tour.
